Biden has warned that there is going to be a New World Order. Putin and Xi are writing joint statements about the creation of a New World Order. In fact, all of the globalists are interested in a New World Order. Today, Iain Davis of [In-This-Together.com](#) joins us to discuss the history of the “International Rules-Based Order,” reveal its “operating system” (technocracy), and discuss how we can fruitfully oppose it.
