Mining for the Truth is like digging at the decrepit body of manipulated worldly information for real substance. A pile of petrified insanity, we're chipping away at it until inner forms are revealed. That the new Pope is a Jesuit, the first one ever, is a very big deal. The Jesuits are no small force. People think they resemble innocuous Franciscan monks who

focus on education.

Nothing could be further from the truth. They are the polar opposite. Of the worst sort.

Beware this new Pope. His roots are nasty and we're in an age of increasing darkness and violence. This ruthless, militant Jesuit "society" has one hellish oath that should get you wondering and researching real fast.

The Jesuit Oath Exposed

Hold on for this one. This is an excerpt, and this oath is still in use.

I do further promise and declare that I will, when opportunity presents, make and wage relentless war, secretly and openly, against all heretics, Protestants and Masons, as I am directed to do, to extirpate them from the face of the whole earth; and that I will spare neither age, sex nor condition, and that will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics; rip up the stomachs and wombs of their women, and crush their infants' heads against the walls in order to annihilate their execrable race. That when the same cannot be done openly I will secretly use the poisonous cup, the strangulation cord, the steel of the poniard, or the leaden bullet, regardless of the honour, rank, dignity or authority of the persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agents of the Pope or Superior of the Brotherhood of the Holy Father of the Society of Jesus.

In confirmation of which I hereby dedicate my life, soul, and all corporal powers, and with the dagger which I now receive I will subscribe my name written in my blood in testimony thereof; and should I prove false, or weaken in my determination, may my brethren and fellow soldiers of the militia of the Pope cut off my hands and feet and my throat from ear to ear, my belly be opened and sulphur burned therein

with all the punishment that can be inflicted upon me on earth, and my soul shall be tortured by demons in eternal hell forever. [Full Oath exposed [HERE](#)]

Revisionist History Cover Up – Meet the Jesuit Order

The [Jesuit Order](#) is an almost 500-year old covert operations, geo-political, male-only organization, structured as a secret military operation: demanding secret oaths and complete obedience to each direct superior, which is ultimately the Superior General (often nicknamed as the Black Pope, since he dresses in black and ‘stands in the shadow’ of the white Pope).

The “Society of Jesus” – as they are officially known – was originally used by the Vatican to counter the various Reformation movements in Europe, to which the Vatican lost much of its religious and political power. Absolute-temporal-ruling power has always been the Vatican institution’s primary objective. [Source](#)

While so-called modern history hardly mentions how hated this fanatical sect was, it wasn’t long ago that it was well known to be an “odious” and extremely dangerous organization.

Just look at these quotes:

“My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the Jesuit Order’s] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of [Ignatius de] Loyola.”

John Adams (1735-1826; 2nd President of the United States)

"It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated MOST of the wars of Europe."

Marquis de LaFayette (1757-1834; French statesman and general. He served in the American Continental Army under the command of General George Washington during the American Revolutionary War.)

"The war [i.e., the American Civil War of 1861-1865] would never have been possible without the sinister influence of the Jesuits."

Abraham Lincoln (1809-1865; 16th President of the United States)

"The Jesuits...are a secret society – a sort of Masonic order – with superadded features of revolting odiousness, and a thousand times more dangerous." – Samuel Morse (1791-1872; American inventor of the telegraph; author of the book Foreign Conspiracy Against the Liberties of the United States)

"[The Jesuits] are the deadly enemies of civil and religious liberty."

R. W. Thompson (Ex-Secretary, American Navy)

"The Jesuits are a MILITARY organization, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is power – power in its most despotic exercise – absolute power, universal power, power to control the world by the volition of a single man [i.e., the Black Pope, the Superior General of the Jesuits]. Jesuitism is the most absolute of despotisms [sic] – and at the same time the greatest and most enormous of abuses..."

Napoleon I (i.e., Napoleon Bonaparte; 1769-1821; emperor of the French)

Next, I defer to [Vigilant Citizen](#) with his succinct summary of the Illuminati/Jesuit connections:

Adam Weishaupt, Trained by the Jesuits

Adam Weishaupt was born in Ingolstadt, Bavaria on February 6, 1748. His father died when he was seven and his godfather, Baron Ickstatt, entrusted his early education to the most powerful group of the time: the Jesuits. Known for its subversive methods and conspiratorial tendencies, the Society of Jesus had a stronghold on Bavaria's politics and educational system.

"The degree of power to which the representatives of the Society of Jesus had been able to attain in Bavaria was all but absolute. Members of the order were the confessors and preceptors of the electors; hence they had a direct influence upon the policies of government. The censorship of religion had fallen into their eager hands, to the extent that some of the parishes even were compelled to recognize their authority and power. To exterminate all Protestant influence and to render the Catholic establishment complete, they had taken possession of the instruments of public education. It was by Jesuits that the majority of the Bavarian colleges were founded, and by them they were controlled. By them also the secondary schools of the country were conducted." [4](#)

The inner-workings of the Society of Jesus was quite similar

to the occult Brotherhoods it was apparently working against. It functioned with degrees, initiation rites, elaborate rituals and esoteric symbols and had been suppressed countless times in several countries due to its subversive tendencies.

In 1773, Weishaupt's godfather used his great influence at the University of Ingolstadt to place his godson as chair of canon law. At that time, the institution was under heavy Jesuitical dominance and that particular position was traditionally held by influential Jesuits. Weishaupt's growing embrace of Age of Enlightenment philosophies placed him at odds with the Jesuits and all kinds of political drama ensued. Despite this fact, Weishaupt learned a lot from the Jesuit's organization and their subversive methods to obtain power. It is during this time that the idea of a Secret Society began to enter Weishaupt's thoughts.

"Brilliant, and well trained in the conspiratorial methods of access to power, young Weishaupt decided to organize a body of conspirators, determined to free the world from the Jesuitical rule of Rome." [5](#)

While some authors believe that the Jesuits (who were suppressed by papal bull in 1773) used Weishaupt to perpetuate their rule, others state that he was seeking to overthrow their powerful hold on Bavaria. On a wider scale, he was convinced that the world would profit from the overthrow of all governmental and religious institutions in the world to replace them by a world-wide, yet secretive, committee of "initiates". To achieve his aims, he would use Jesuit methods against the Jesuits.

The Militant Catholic Church and World Domination

Jesuitism stepping on the neck of Protestantism.

Few would believe what the Vatican has been up to all these centuries. Vietnam was commonly known as Spelly's War, named after Cardinal Spellman. Why...Exterminating infidels?

Cardinal Spellman gives mass to the troops in WW2

Successor to Fascist Dictator Francisco Franco and Knight of Malta, King Juan Carlos, with Grand Master of the Sovereign Military Order of Malta, Andrew Cardinal Bertie

Knight of Malta Amschel Mayer Rothschild (1744–1812)

The Knights of Malta is not merely a “charitable organization”.

That's just an elaborate front... As the name Sovereign Military Order of Malta (SMOM) confirms, it is a military order based on the crusader Knights Hospitaller of Jerusalem and is interwoven with Freemasonry. Most people have never even heard of SMOM, much less that it is a part of Freemasonry. But that is the way the aristocratic elite like it.

*(same double eagle as
Freemasonry-ed.)*

One of the symbols of the military orders of the Vatican, the masonic double-headed eagle emblazoned with the Maltese cross, signifies omnipotent royal dominion over both East and West. The orb signifies temporal dominion over the globe of Earth, and the scepter signifies control over the spiritual and religious impulses of humanity.

This eagle symbol is used in the [masonic rite of Memphis and Misraim](#), under which it reads, "Order Out of Chaos", the Hegelian method of crisis creation. It is found on the seals of many European and Eurasian nation states including that of Russia, indicating direct Vatican control over those countries. ([Source](#))

More on the Double-headed Eagle and the 'Redshields'

The two-headed eagle emblem of the Byzantine Empire (Roman Empire) on a Red Shield was adopted in 1743 by the infamous goldsmith Amschel Moses Bauer. He opened a coin shop in Frankfurt, Germany and hung above his door this Roman eagle on a red shield. The shop became known as the "Red Shield firm". The German word for 'red shield' is Rothschild. After this point, the Rothschilds became the bankers to kings and pontiffs alike, among the richest families in the world. Ever since, they have financed both sides of every major war and revolution using the Hegelian Dialectic to engineer society toward their New World Order.

The Rothschilds and their agents, such as the Rockefellers, have been engineering America and its foreign policy almost since its inception. They and their Skull and Bones Wall Street partners staged and funded both sides in WWII, and out of that hellish nightmare was born their infant global government, the United Nations, and their tool of tyranny, the CIA. The father of the CIA, "Wild Bill" Donovan, was a Knight of Malta. In order to be a director of the CIA you must be a crusading Knight of Malta and it doesn't hurt if you are a member of Skull and Bones either. In order to reach the highest levels in the Pentagon establishment, you must be an illuminated Freemason and/or a Knight of one order or another. Notable US military members of SMOM include top crusading generals such as Alexander Haig, William Westmoreland, and Charles A. Willoughby, an admitted Fascist.

Other notable members include:

- Reinhard Gehlen (Nazi war criminal)
- Heinrich Himmler (Nazi war criminal)
- Kurt Waldheim (Nazi war criminal)
- Franz von Papen (Hitler enabler)
- Fritz Thyssen (Hitler's financier)
- Rupert Murdoch

- Tony Blair
- Pat Buchanan
- William F. Buckley, Jr.
- Precott Bush, Jr.
- Edward Egan (Archbishop NY)
- Licio Gelli
- Ted Kennedy
- David Rockefeller
- Phyllis Schlafly (Dame)
- J. Edgar Hoover
- Joseph Kennedy
- Henry Luce
- Thomas 'Tip' O'Neill
- Ronald E. Reagan
- Giscard d'Estaing
- Allen Dulles
- Avery Dulles
- Frank C. Carlucci

- Rick Santorum
- Juan Carlos (King of Spain and Jerusalem)
- Oliver North
- George H.W. Bush
- Augusto Pinochet
- William Randolph Hearst

The Blackwater/Xe Connection

Such a list should make anyone sit up and pay attention, but it is only the tip of the iceberg unfortunately. Then we come to another SMOM member, important to what is transpiring in Iraq and other toppled or soon to-be-toppled States. Educated at the Jesuit Georgetown University, former Pentagon Inspector General Joseph Edward Schmitz,

Blackwater's operations chief, is a member of both SMOM and Opus Dei.

Former Pentagon Inspector General Joseph Edward Schmitz quit in 2005 to work for Blackwater. He is a member of Opus Dei and Knights of Malta. At least \$2 trillion went "missing" from the Pentagon during his watch.

The Knights of Malta in Iraq?

Malta Star | Sep 29, 2007

An American investigative journalist compared the US firm Blackwater, the biggest security services provider in post war Iraq, to the Knights of Malta.

The company is currently in the midst of a controversy after some of its 20,000 personnel stationed in Iraq killed a number of civilians.

In his book, 'Blackwater: The Rise of the World's Most Powerful Mercenary Army', Jeremy Scahill links the modern security firm to the Knights of Malta.

The writer argues that "Blackwater's employees... share the same religious zeal of ancient crusaders", the Egyptian weekly newspaper Al-Ahram reported.

All the top Nazis in our government are connected in some way to the Vatican, Jesuits and Knights of Malta and have been for decades, as were the Italian Fascists and German Nazis of WWII. After all, what was their favorite symbol after the swastika? The Maltese Cross of course!(Dejan Lucic—[source](#))

Earlier Malta Boys Formed the "Intelligence" Agencies..

Who formed the CIA? It was a Catholic Knight of Malta, [William "Wild Bill" Donovan](#). He was considered the "father of the CIA." he was also the former head of the OSS before he was used to create the CIA.

alt="" width="257" height="300" />Donovan was given an especially prestigious form of knighthood that has only been given to a hundred other men in history.

Over the years there have been many CIA bosses who were also Knights of Malta and/or Jesuit trained.

And Who Formed the FBI?

It was a powerful Roman Catholic who was also a Knight of Malta and a trustee of [The Catholic University of America](#). Charles Joseph Bonaparte.

"The degree of Knight of Malta is conferred in the United States as "an appendant Order" in a Commandery of Knights Templar. ~Source **Blackwater/Xe – Today's Crusading Templars/Knights of Malta?**

Blackwater/Xe is more than just a "private army", and much more than just another capitalist war-profiteering business operation.

It is an army operating outside all laws, [outside and above the US Constitution](#) and yet is controlled by people within and outside our government whose allegiance is primarily to the foreign Vatican state. In other words, Blackwater/Xe is a religious army serving the Pope in Rome through the Order of Malta, which is itself considered under international law, as a sovereign entity with special diplomatic powers and privileges.

Like Blackwater, the Order of Malta is “untouchable” because it is at the heart of the elite aristocracy. ~Source

The ‘beauty’ of private mercenaries, a growing trend worldwide as we move toward a fascist global state, is that they’re not held accountable to anything like regular military bodies are, and can operate outside the confines of such things as international law, political restraints, or the immobility of large armies. In addition, when their loyalties can be traced to an over-riding allegiance to a foreign state or other seditious influence, we have even more serious problems.

Erik, Prince of War

Erik Prince, the founder and owner of the now infamous US corporation, Blackwater/Xe, hails from Holland, Michigan where his family was both powerful and prominent in two institutions – (1) the Republican Party and (2) the evangelical Christian Church. After scandals hit his large and lucrative firm, Prince ordered a curious rebranding that changed its name to Xe.

From the perspective of medieval Christian symbology, ‘Xe’ is a combination of the Christic cross and the Greek letter, Epsilon, the first letter in the Greek word, Evangelion, glad tidings or gospel. From the perspective of a modern member of the Knights Templar, Xe is immediately recognizable as it symbolizes Christian Evangelism. ([source](#))

Prince's background

The Catholic connection, unlike his family, which is part of the Christian Reformed Church, Erik Prince is a Catholic. Interestingly enough, most of the leadership at Blackwater/Xe is also Catholic, albeit a conservative wing of the church that is quite reactionary. Erik Prince is personally connected to conservative Catholic groups like Catholic Answer, Crisis magazine, and a Grand Rapids-based group, the Acton Institute.

Prince's relationship to what Scahill calls the "Theocon" movement is not marginal. Prince himself writes about this relationship and its importance, particularly with the mission of Blackwater. Prince says *"Everybody carries guns, just like the Prophet Jeremiah rebuilding the temple in Israel – a sword in one hand and a trowel in the other."*

Erik Prince's personal Crusade

Among his personnel at Xe, Prince is known to be a high-profile Islamophobe who believes his personal mission in life is to bring about the total extinction of the Muslim population of this planet in what he has described as a global campaign of genocide or a, "Crusade."

Here is an excerpt of [an article about Prince that appeared in The Economist](#):

In an affidavit lodged with a court in Virginia, one of the witnesses said that Mr Prince "views himself as a Christian crusader tasked with eliminating Muslims and the Islamic faith from the globe." The statement continues...

"To that end, Mr. Prince intentionally deployed to Iraq certain men who shared his vision of Christian supremacy, knowing and wanting these men to take every available opportunity to murder Iraqis. Many of these men used call signs based on the Knights of the Templar, the warriors who fought the Crusades."

How comforting. Murder for hire meets religious zeal embedded in Christian patriotism. Nice combo.

Beware: They're Proliferating...

It gets worse, this captivating cause, these deviant demons, are metastasizing:

Through a network of 30 subsidiaries and shell corporations, Blackwater-linked entities provided "intelligence, training and security services" to a cache of major multinational firms, including: Monsanto, Chevron, the Walt Disney Company, Royal Caribbean Cruise Lines, Deutsche Bank and Barclays, according to [documents obtained](#).

Blackwater's owner and founder, Erik Prince – who has himself been linked to the CIA – helped train companies through two other firms he controlled: Total Intelligence Solutions and the Terrorism Research Center. ([Source](#))

Imagine a worldwide Mafia with many 'families'...

There's so much more to this than can be covered here, but it's certainly worth investigating. These secretive

controllers have many arms, many disguises, but all are carefully controlled and working in concert...although I'm sure these evil forces have their differences, which would explain some of the discrepancies we see in the news.

But they all converge at the apex of power and control somehow. Nasty bunch who don't flinch at eliminating each other either.

It's also apparent the 'Powers That Be' love these 'free hands' of blindly committed 'crusaders' we've described here to wreak havoc, vengeance, chaos, conflict, anything to justify their continued war on humanity until it's beaten into a fascist one world state of submission. Know, too, all the 'intelligence' agencies CIA, Mossad, MI6, ISI, etc. are all connected with these boys and many others, which is why it's so hard to clearly expose the perfidy of what's happening since they're all in it together in an unholy, strangely knotted alliance.

Conclusion...The Goal is to Terrorize, Divide and Conquer—then Unite Under their 'Illumined Leadership'

So they hope. Evil cannot triumph in the long run—they can only flail against the Truth which stands indomitable, inextinguishable and eternal. Their only temporal power is in fear and ignorance, which is why we need to do all we can to enlighten and empower those around us.

And it's not all black and white, so don't expect complete clarity before taking action. Nor is there anything to get fearful about. Many of those on the inside want out, but cannot escape. Many are working to change this pattern, or alert their fellow man, such as the man who testified about Erik Prince. Look for it. We are the power. There are very few of them. All we need to do is wake up—and stay awake. And alert others. We'll know what to do next.

But we must be informed and connect these dots for ourselves.

And this is only part of the picture. Once people realize it's not paranoia to realize there are very real agendas afoot, things start to clear up.

Although it can be somewhat daunting at first...

"Some of the biggest men in the United States, in the field of commerce and manufacture, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it." – President Woodrow Wilson

Screw that attitude! What cowards..that's what got us here, their fear of speaking up! In no way does that knowledge mean the rest of us are to remain in the dark or hide our heads in the sand.

Just the opposite!

Thankfully it gets clearer all the time! As dear Bill Hicks put it;

Everything makes sense if you just put on the right glasses.

Keep yours on, and bravely.
