## Mad Libs for Trolls

## Mad Libs for Trolls

by **Zen Gardner** April 23, 2012

I have an idea. Why not let trolls and internet trawlers write their own stories? Wouldn't that solve a lot of problems and get their angry angst off the net?

So here's an easy., popular game they can play, creating whatever scenario they want and have fun at the same time. Now THAT will elevate some lower-level consciousness, won't it?

I've tried to make this easy so as not to confound the sensitive nature of our self-appointed anonymous watchdog community.

After all....the nose that knows is a terrible thing to waste.

## Here's the Story Line:

(If you're not familiar with this popular mad libs game, go <a href="HERE">HERE</a>.)

The Internet — In the Mind of a Troll
I've found a fabulous place to post my [plural noun]. It's called the inter [noun].
Many people around the [round object] like to use this [nasty adjective] tool. It helps everyone
to[destructive verb] better.
Sometimes people like to share their[body part-human] to tell people what they are [unload verb now].
But sometimes angry and nasty predators [verb-think snark] on others to make themselves [self-serving verb]
better about them [rhymes with "elves"].
I know! Whodda [mental action] that simply putting information out for[plural noun] to read
and[fun verb-got fun?] would draw so muchism [angry adjective]!
I mean anonymouss [exotic life form] would come at me like a[crazy noun] on a[crazier noun]!
<u>Epilogue:</u>
Dear Diary
These types of[adjective like vapid][synonym for assholes] want me to curl up and[deathly verb]. Funny

thing is, this makes me want to do more!

I'm going to \_\_\_\_\_ [love, express...] and \_\_\_\_\_[revel in my freedom to do so] the rest of my days!

#####

Sorry, folks. Current affairs drove me to it.

Hope you had a fun ride. We really do need to enjoy this cuz it ain't gonna be pretty real soon and we need to keep our wits about us.

And BTW these inter-gnats are nothing to worry about. Pure background noise.

Maybe they'll go off and play this with each other and leave the rest of us alone. Ha!

Much love, and keep on!

Love, Zen

Zen Gardner is an impactful and controversial author and speaker with a piercing philosophical viewpoint.

His writings have been circulated to millions and his personal story has caused no small stir amongst the entrenched alternative pundits. His book You Are the Awakening has met rave reviews and is available on amazon.com. You Are the Awakening examines the dynamics of the awakening to a more conscious awareness of who we are and why we are here — dynamics which are much different from the programmed approach of this world we were born into.
