*There can be no doubt that Bill Gates has worn many hats on his remarkable journey from his early life as the privileged son of a Seattle-area power couple to his current status as one of the richest and most influential people on the planet.*

*But, as we have seen in our exploration of Gates' rise as unelected global health czar and population control advocate, the question of who Bill Gates really is is no mere philosophical pursuit.*

*Today we will attempt to answer that question as we examine the motives, the ideology, and the connections of this man who has been so instrumental in shaping the post-coronavirus world.*
