On May 18, 2021, with COVID-19 vaccines for children aged 12–15 expected to gain approval from the European Medical Regulator, [notices of liability for vaccine-related harms and deaths to children](#) were served on all Members of the European Parliament. The full list of recipients can be viewed [here](#).

All Members of the European Parliament received the following notice:

NOTICE OF LIABILITY

<<Name>>

May 18, 2021

This Notice of Liability has been SERVED to you personally.

You may be held personally liable for harm and death caused by LEGISLATION, which is designed to coerce widespread acceptance

of EXPERIMENTAL VACCINATION OF CHILDREN. If you take further action supporting such LEGISLATION, and if you take no steps to mitigate your past actions supporting such LEGISLATION, you may be held personally liable for resulting harm and death.

Severe illness and death in children and young adults caused by SARS-CoV-2 is extremely rare. It is absurd to claim that any measure can or will protect against a danger that does not exist. The claims that these experimental vaccinations induce production of protective antibodies are fundamentally flawed. Antibodies in the blood cannot prevent entry of air-borne viruses into cells of the lower respiratory tract. Secretory IgA antibodies are also known to be unable to efficiently prevent viral pneumonia. Severe adverse effects occur at high frequency following application of all gene-based agents. Children have already joined the tragic list of victims.

Attached as appendices and as integral parts of this Notice of Liability are the documents: Urgent Open Letter from Doctors and Scientists to the European Medicines Agency Regarding COVID-19 Vaccine Safety Concerns; Reply from the European Medicines Agency to Doctors for Covid Ethics; Doctors and Scientists Accuse Medical Regulator of Downplaying COVID-19 Vaccine Dangers; Rebuttal Letter to European Medicines Agency from Doctors for Covid Ethics; Doctors for Covid Ethics Signatories; COVID Vaccines: Necessity, Efficacy and Safety.

Furthermore, you may be held personally responsible for supporting CRIMES AGAINST HUMANITY, defined as acts that are purposely committed as part of a widespread or systematic policy, directed against civilians, committed in furtherance of state policy.

Please respond to this NOTICE OF LIABILITY within 14 days from the DATE OF SERVICE to:
