Do you have any questions or concerns about the COVID-19 containment measures? Do you hesitate to don your mask, practice proper social distancing, or (eventually) roll up your sleeve for the experimental mRNA vaccine? Then you're a sociopath who needs to be dealt with, according to a team of researchers from Brazil. Join James as he explores this latest attempt to pathologize political dissent, the horrific history of the weaponization of psychology for political purposes, and what this tells us about the coming biosecurity paradigm.
