

Robert F. Kennedy, Jr.: My New Book – ‘The Real Anthony Fauci’

[My New Book – ‘The Real Anthony Fauci’](#)

In my latest book – “The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health” – I take an in-depth look at the disastrous consequences of Dr. Anthony Fauci’s 50-year reign as America’s public health czar. The book, which will be released Nov. 9, is [available now for preorder](#).

On Nov. 9, [Children’s Health Defense](#) Chairman Robert F. Kennedy, Jr. will release his [new book](#) – “The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health.”

As director of the National Institute of Allergy and Infectious Diseases (NIAID), [Dr. Anthony Fauci](#) dispenses [\\$6.1 billion](#) in annual taxpayer-provided funding for scientific research.

The research I conducted for my new book exposes how Fauci’s gargantuan yearly disbursements allow him to dictate the subject, content and outcome of scientific health research across the globe.

These annual disbursements also allow Fauci to exercise

dictatorial control over the army of “knowledge-and-innovation” leaders who populate the “independent” federal panels that approve and mandate drugs and vaccines – including the committees that allowed the [Emergency Use Authorization](#) of [COVID-19](#) vaccines.

Fauci uses the financial clout at his disposal to wield extraordinary influence over hospitals, universities, journals and thousands of influential doctors and scientists – whose careers and institutions he has the power to ruin, advance or reward.

These are the same doctors who appear on network news shows, publish on the op-ed pages of influential media, and craft and defend the pharmaceutical cartel’s official narratives.

Fauci only rarely performs NIAID’s traditional mission of researching the causes behind the [exploding epidemics](#) of allergic and autoimmune diseases – as evidenced by the fact that under his watch, the chronic diseases Congress charged NIAID with preventing rose from [1.8 %](#) among children when Fauci came to NIAID in the 1960s, to [54% today](#), when obesity is factored in.

Instead of addressing the rise in chronic diseases, Fauci transformed NIAID from a world-class regulator into a product incubator for [Big Pharma](#) by developing new drugs and vaccines for which he, his agency and his employees often share patents and royalties.

For example, Fauci and [four of his hand-selected deputies](#) will partake with [Moderna](#) in [millions of dollars](#) in royalties from sales of Moderna’s COVID vaccine – which was co-developed by Moderna and NIAID.

Fauci has made himself the leading proponent of “agency capture” – the subversion of democracy and public health by the [pharmaceutical industry](#).

As “The Real Anthony Fauci” reveals, Fauci has steadily failed upward. His legacy is a nation that [uses increasingly more pharmaceuticals](#), pays [nearly three times more](#) for prescription drugs than people in dozens of other countries, and has [worse health outcomes and a sicker population](#) than other wealthy nations.

Today, prescription drugs – many [developed by the National Institutes of Health](#) (NIH) during Fauci’s tenure at the NIH’s NIAID – are [America’s third leading cause of death](#).

My book also reveals how Fauci and his cohorts in Pharma profit handsomely from sickness – but not so much from good health.

50 years as the ‘J. Edgar Hoover of public health’

Fauci has survived half a century in his government post – he’s the J. Edgar Hoover of public health – by kowtowing to (and profiting from) pharmaceutical interests.

He launched his career during the early AIDS crisis by [partnering](#) with pharmaceutical companies [to sabotage](#) safe and effective off-patent therapeutic treatments for AIDS.

Fauci [orchestrated fraudulent studies](#), and then pressured U.S. Food and Drug Administration (FDA) regulators into approving a deadly chemotherapy treatment he knew to be worthless against AIDS.

The FDA deemed AZT [too toxic for human use](#). Many researchers today argue [AZT killed far more people than AIDS](#).

Thanks to Fauci’s corrupt intervention, AZT, at \$10,000 per patient per year, became history’s most expensive commercial drug – one that made [billions](#) for GlaxoSmithKline.

Fauci repeatedly [violated federal laws](#) to allow his Pharma partners to use impoverished and dark-skinned children as lab rats in deadly experiments with toxic AIDS and cancer

chemotherapies.

In 2005, [Congress cited his agency](#) for consistently breaking federal laws in outlaw experiments on Black and Hispanic orphans in foster homes in New York and six other states.

Fauci's long list of [unethical and genocidal experiments](#) on Africans caused mayhem and tragedy across the continent, particularly for children and pregnant mothers.

Each of the vaccines funded by Fauci and Bill Gates – [polio](#), [DPT](#), [malaria](#), [meningitis](#), [tetanus](#) and [HIV](#) – likely caused far more [injuries](#) and deaths around the world than they averted.

The carefully constructed Pharma-Fauci-Gates alliance

In early 2000, Fauci shook hands with [Gates](#) in the library of Gates' \$147 million Seattle mansion, cementing a partnership that would aim to control an increasingly profitable [\\$60 billion](#) global vaccine enterprise with unlimited growth potential.

In 2009, Gates stood before the United Nations and declared the "[Decade of Vaccines](#)." He committed \$10 billion to build a regulatory, political, media and brick-and-mortar infrastructure with the goal of inoculating the entire global population with multiple jabs by 2020.

Through funding leverage and carefully cultivated personal relationships with heads of state and leading media and social media institutions, the Pharma-Fauci-Gates alliance exercises dominion over global health policy.

Gates and Fauci now wield far-reaching influence and unprecedented power to shut down the global economy, abolish civil and constitutional rights, impose police state surveillance and engineer the greatest upward shift of global wealth in human history.

In [my book](#), I lay bare how Fauci, Gates and their collaborators:

- **invented and weaponized a parade of fraudulently concocted global pandemics**, including [bird flu \(2005\)](#), [swine flu \(2009\)](#) and [Zika \(2015-2016\)](#), in order to sell novel vaccines, enrich their Pharma partners and increase the power of public health technocrats and Gates' entourage of international agencies.
- **used “[gain-of-function](#)” experiments to breed pandemic superbugs** in shoddily constructed, [poorly regulated](#) laboratories in [Wuhan, China](#), and [elsewhere](#), under conditions that almost certainly guaranteed the escape of weaponized microbes, in partnership with the [Pentagon](#), the [Chinese military](#) and [a shady cabal of bioweapons grifters](#).
- **made a [series](#) of prescient [predictions](#) about the imminent COVID-19 pandemic** – almost to the day. Their precision soothsaying further awed a fawning, credulous and scientifically illiterate media that treats Gates and Fauci as religious deities, insulates them from public criticism and vilifies their doubters as heretics and “[conspiracy theorists](#).” Adulatory mainstream media abetted Fauci's conspiracy to cover up [COVID's origins](#) at the Wuhan lab.
- **teamed with government technocrats, military and intelligence planners, and health officials** from the U.S., Europe and China to stage sophisticated [pandemic “simulations”](#) and “[Germ Games](#).” Exercises like these, encouraged by the [Global Preparedness Monitoring Board](#), laid the groundwork for imposition of global totalitarianism, including compulsory masking, lockdowns, mass propaganda and [censorship](#), with the ultimate goal of [mandating](#) the coercive vaccination of 7 billion humans.
- **practiced, in each of their “simulations,” psychological warfare techniques** to create chaos, stoke fear, shatter

economies, destroy public morale and quash individual self-expression – and then impose autocratic governance.

Stoking COVID-19 pandemic fear

[The “Real Anthony Fauci”](#) details how Fauci, Gates and their cohorts used their control of media outlets, scientific journals, key government and quasi-governmental agencies, and influential scientists and physicians to flood the public with fearful propaganda about COVID-19 virulence and pathogenesis, and to [muzzle debate](#) and ruthlessly [censor dissent](#).

Gates and Fauci engaged in [almost daily communications](#) throughout the lockdown, and [coordinated](#) virtually every decision about COVID-19 countermeasures with each other.

They effectively placed global populations under house arrest, and flooded the mainstream and social [media](#) with [propaganda](#) crafted to terrorize.

To justify the implementation of draconian measures, Gates and Fauci systematically stoked irrational fears and stifled common sense to induce a form of mass psychosis known as [“Stockholm Syndrome.”](#)

They inspired in their hostages gratitude towards their captors, and the belief that total obedience and unquestioning submission to an [experimental, shoddily tested, fast-tracked, zero-liability](#) COVID vaccine was their only hope for safe escape from captivity and [“return to normal.”](#)

As the pandemic unfolded, Gates and Fauci:

- endorsed [deceptive modeling and algorithms](#) to deliberately [exaggerate](#) casualty projections for COVID-19 to rationalize [draconian lockdowns](#).
- anointed fraudulent [PCR tests](#) in order to deliberately inflate numbers of COVID cases by [some 90%](#).
- facilitated the adoption of new, [unprecedented](#)

[instructions](#) for coroners to fraudulently attribute COVID as the [cause of death](#) “on the death certificate for all decedents where the disease caused or is assumed to have caused or contributed to death” – with or without a positive COVID-19 test.

- [discredited](#) all early **COVID-19 treatments** like [hydroxychloroquine](#) and many other remedies that could have quickly ended the pandemic and saved hundreds of thousands of lives.

Predictably, during the [COVID](#) crisis, Fauci’s policies resulted in the U.S. accounting for [20% of the world’s COVID deaths](#), despite making up only 4.2% of the global population – another example of Fauci failing upward.

As [my book](#) makes clear: Fauci’s COVID policies also spawned new insidious authoritarianism – and propelled America down a slippery slope toward a grim future as a dark totalitarian security and [surveillance state](#).
