

Robert F. Kennedy, Jr.: Why I Wrote 'The Real Anthony Fauci'

[Robert F. Kennedy, Jr.: Why I Wrote 'The Real Anthony Fauci'](#)

I wrote this book so that Americans – both Democrat and Republican – can understand Dr. Fauci's pernicious role in allowing pharmaceutical companies to dominate our government and subvert our democracy, and to chronicle the key role Dr. Fauci has played in the current coup d'état against democracy.

The Defender editor's note: Below is an excerpt from "The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health," the [new runaway bestseller](#) by Robert F. Kennedy, Jr., chairman and chief legal counsel for Children's Health Defense.

While some Republicans bridled warily at Dr. Fauci's accumulating power and seemingly arbitrary pronouncements, the alchemies of political tribalism and the relentlessly stoked terror of COVID-19 persuaded spellbound Democrats to close their eyes to the damning evidence that his COVID-19 policies were a catastrophic and dangerous failure.

As an advocate for public health, robust science and independent regulatory agencies – free from corruption and financial entanglements with Pharma – I have [battled Dr.](#)

[Fauci](#) for many years.

I know him personally, and my impression of him is very different from my fellow Democrats, who first encountered him as the polished, humble, earnest, endearing and long-suffering star of the televised White House COVID press conferences.

Dr. Fauci [played a historic role](#) as the leading architect of “agency capture” – the corporate seizure of America’s public health agencies by the pharmaceutical industry.

Lamentably, Dr. Fauci’s failure to achieve public health goals during the COVID pandemic are not anomalous errors, but consistent with a recurrent pattern of sacrificing public health and safety on the altar of pharmaceutical profits and self-interest. He consistently prioritized pharmaceutical industry profits over public health.

Readers of [these pages](#) will learn how in exalting patented medicine Dr. Fauci has, throughout his long career, routinely falsified science, deceived the public and physicians, and lied about safety and efficacy.

Dr. Fauci’s malefactions detailed in [this volume](#) include his crimes against the hundreds of Black and Hispanic orphan and foster children whom he subjected to cruel and deadly medical experiments and his role, with Bill Gates, in transforming hundreds of thousands of Africans into lab rats for low-cost clinical trials of dangerous experimental drugs that, once approved, remain financially out of reach for most Africans.

You will learn how Dr. Fauci and Mr. Gates have turned the African continent into a dumping ground for expired, dangerous and ineffective drugs, many of them discontinued for safety reasons in the U.S. and Europe.

You will [read](#) how Dr. Fauci’s strange fascination with, and generous investments in, so-called “gain of function” experiments to engineer pandemic superbugs, give rise to the

ironic possibility that Dr. Fauci may have played a role in triggering the global contagion that two U.S. presidents entrusted him to manage.

You will also [read about](#) his two-decade strategy of promoting false pandemics as a scheme for promoting novel vaccines, drugs and Pharma profits.

You will [learn](#) of his actions to conceal widespread contamination in blood and vaccines, his destructive vendettas against scientists who challenge the Pharma paradigm, his deliberate sabotaging of patent-expired remedies against infectious diseases, from HIV to COVID-19, to grease the skids for less effective, but more profitable, remedies.

You will [learn](#) of the grotesque body counts that have accumulated in the wake of his cold-blooded focus on industry profits over public health.

All his strategies during COVID – falsifying science to bring dangerous and ineffective drugs to market, suppressing and sabotaging competitive products that have lower profit margins even if the cost is prolonging pandemics and losing thousands of lives – all of these share a common purpose: the myopic devotion to Pharma.

[This book](#) will show you that Tony Fauci does not do public health; he is a businessman, who has used his office to enrich his pharmaceutical partners and expand the reach of influence that has made him the most powerful – and despotic – doctor in human history.

For some readers, reaching that conclusion will require crossing some new bridges. Many readers, however, intuitively know the [real Anthony Fauci](#), and need only to see the facts illuminated and organized.

I wrote [this book](#) so that Americans – both Democrat and Republican – can understand Dr. Fauci's pernicious role in

allowing pharmaceutical companies to dominate our government and subvert our democracy, and to chronicle the key role Dr. Fauci has played in the current coup d'état against democracy.
