

[Satire] The Most Dangerous Disease in the World

[The Most Dangerous Disease in the World](#)

by [JP Sears](#), [AwakenWithJP](#)

October 28, 2020

In this video, learn all about the most dangerous disease in the world, intelligence. You'll understand what you need to do to help slow the spread of this disease. If we all work together and follow the proper social guidelines, we can rid the world of intelligence once and for all.
