Original video available at [WhatsHerFace YouTube](#) channel.

Joe Biden wasted no time getting to work on his first 2 days as President.

That work included snubbing the minorities.

Firing US Surgeon General Dr. Jerome Adams, a black man.

Signing a mask mandate for federal employees on federal property which he immediately violated.

Banished US troops to a parking garage.

Broke promises like not banning fracking and not wanting to make covid vaccinations mandatory.

Hiring Tom Vilsack (Mr. Monsanto) as his agriculture secretary.

The list goes on and on, but the one positive thing from all this is that **lies are being revealed and lies create truth seekers.**
