

[Satire] UK Bans Certain Spoken Sounds That Are Believed to Spread Covid-19

[\[Satire\] UK Bans Certain Spoken Sounds That Are Believed to Spread Covid-19](#)

by [Peter Prowse](#)

December 12, 2020

[Truth Comes to Light editor's note: Satire by retired PR consultant and freelance translator, Peter Prowse. Peter announces the new UK policy wherein sounds produced by the letters P, T and C will be phased out and replaced with the sounds produced by N, F and L. The video went viral and is now found all over the internet.]

Original video available at [Peter Prowse YouTube](#) channel.
