<https://youtu.be/SRRoKvZ0v20>

Shepard Ambellas returns to share the stunning and true details of the long sought orbital return of the tenth planet of our solar system.

[Truth Comes to Light Editor's note: While planet X and asteroid preparation certainly doesn't explain the evil of the NWO rollout, including medical martial law – and mandatory vaccines, chips, IDs, monetary collapse, 5G, 6G, AI, tracking and surveillance, transhumanism, endless lies by leadership, etc. this does add a possible overlapping agenda to the questions about what is really going on.]
