

Stalin Would Be Proud: USDA's Transformation of Food System & Racial Equity

[Stalin Would Be Proud: USDA's Transformation of Food System & Racial Equity](#)

by [Christian Westbrook](#), [Ice Age Farmer](#)

March 10, 2021

Stalin would be proud: USDA calls for a "transformation of our food system" (echoing Rockefeller words) and forgives loans ONLY to black farmers.

The grain crisis will justify this transformation of the world food supply as a global communist superstate is unveiled. Christian breaks it down in this Ice Age Farmer broadcast.
