The manifestation of Free Energy through Tesla Technology is entirely dependent upon a particular type of Spiritual Paradigm Shift that must take place first in the body of Humanity. This Paradigm Shift was hinted at by Tesla himself, but unfortunately, that necessary shift in consciousness still has not occurred at the level required to break the stranglehold of our current corrupt, polluting and unsustainable energy systems. In this presentation, Mark Passio discusses what this spiritual shift in consciousness entails, and some of the reasons why we are still so far away from achieving it as a species.

CONTROLLED ENERGY aka, The Scarcity Paradigm

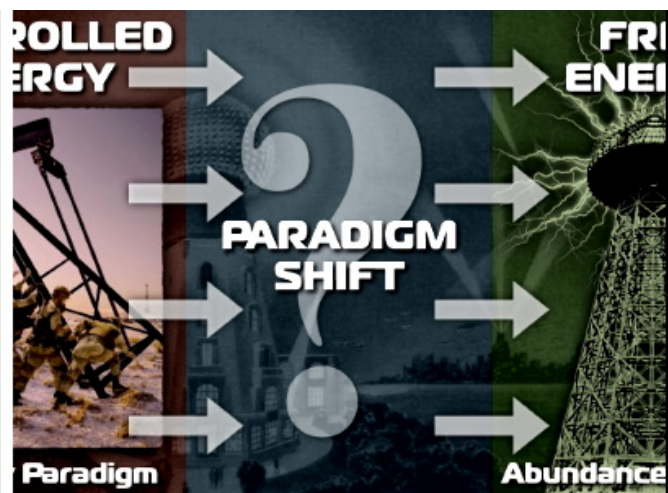

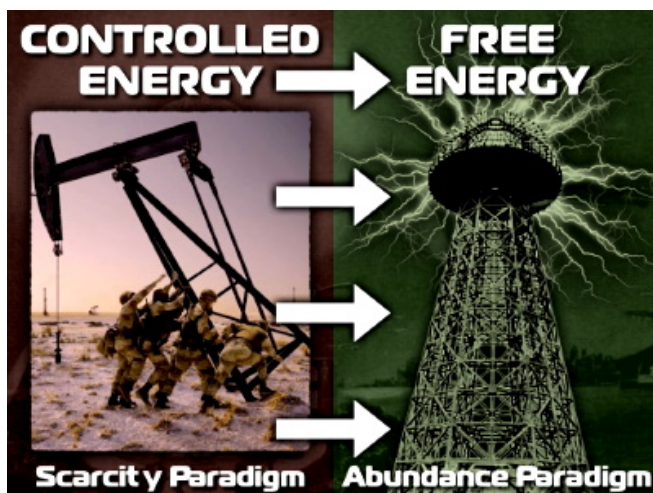

- POLLUTING / UNSUSTAINABLE
- Based in the fear of SCARCITY
- Perpetuates DEPENDENCY
- Maintained by VIOLENCE, Exploitation & Imperialism
- Promotes SEPARATION worldview that "Nature is ours to conquer"
- Stagnates Humanity's evolution
- Completely IMMORAL (In Opposition to Spiritual/Moral Law)
- Will lead to Humanity's TOTAL SLAVERY and EXTINCTION

FREE ENERGY aka, The Abundance Paradigm

- NON-POLLUTING & SUSTAINABLE
- Empowerment via ABUNDANCE
- Promotes INDEPENDENCE
- GENUINE POWER: no Scarcity obviates Aggression & War
- Promotes an INTEGRAL worldview that "We are part of the Living System of Nature"
- Promotes Human evolution
- MORAL (In Harmony with Spiritual/Moral Law)
- Leads to TRUE FREEDOM for ALL

What IS The Paradigm Shift?

1. Knowledge of the OCCULT (Hidden Science & Spirituality)
2. Knowing that Truth and Morality are OBJECTIVE
3. Knowing the characteristics of the HIGHER SELF
4. Knowing that the Physical and Spiritual aspects of our Reality do NOT supersede each other
5. Release from Ego-Identification
6. Exercise of true Discernment and Judgement
7. Becoming mentally free of ALL False Religions
8. Understanding that Knowledge is never "negative"
9. Knowledge that the current Human Condition is SLAVERY and the Causal Factors that have led to this condition
10. Understanding and living in harmony with NATURAL LAW

What IS The Paradigm Shift?

11. Knowing and living both "Pillars of Enlightenment" (NAP & SDP)
12. Knowing that "Authority" is morally illegitimate, and that ALL Government is SLAVERY
13. Recognition of Free Will and Personal Responsibility
14. Knowing that "negative" emotions serve a critical purpose
15. Knowing that Enlightenment is not about pursuing personal bliss while being surrounded by suffering
16. Knowing what True Forgiveness means
17. Knowing the difference between what CANNOT be changed and what SHOULD be changed
18. Caring enough to TAKE ACTION to create real-world change
19. Knowing that Enlightenment includes influencing others to improve themselves
20. Knowing that Enlightenment does NOT equate to perfection

Paradigm Shift Aspects Most Critical To Free Energy

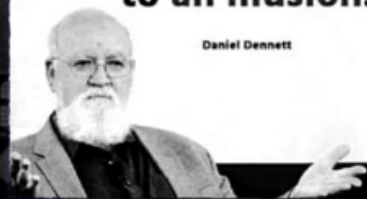

- Knowledge of the OCCULT (Hidden Science & Spirituality)
- Becoming mentally free of ALL False Religions
- Knowledge that the current Human Condition is SLAVERY and the Causal Factors that have led to this condition
- Understanding and living in harmony with NATURAL LAW
- Knowing "Authority" is morally illegitimate, and that ALL Government is SLAVERY

Why Hasn't The Paradigm Shift Already Happened?

- Most people still believe "Authority" and Government are morally legitimate and necessary, and still believe in the false Left-vs-Right Political Paradigm.
- Most people still believe the "Mainstream" Media and its pundits are telling them anything resembling Truth.
- Most people still believe that the purpose of "Mainstream" Science (Scientism) is a genuine search for Truth and the betterment of humanity through the understanding of Nature and the development of new technologies.
- Most people still believe that the purpose of the so-called "Education" System is to edify and enlighten people through genuine knowledge.
- Most People still believe that the institutions of Religion, Banking, Medicine, Law, Law Enforcement, Military, and just about every other societal institution, exist to do what they CLAIM they exist to do.

There's simply no polite way to tell people they've dedicated their lives to an illusion.

Daniel Dennett

Most People In The "Free" Energy Movement Still Don't Understand The FREE Part.

BELIEF IN "AUTHORITY"

IMAGINE
BEING FORCED INTO A RELIGION
YOU CAN'T OPT OUT OF....
IT'S CALLED GOVERNMENT

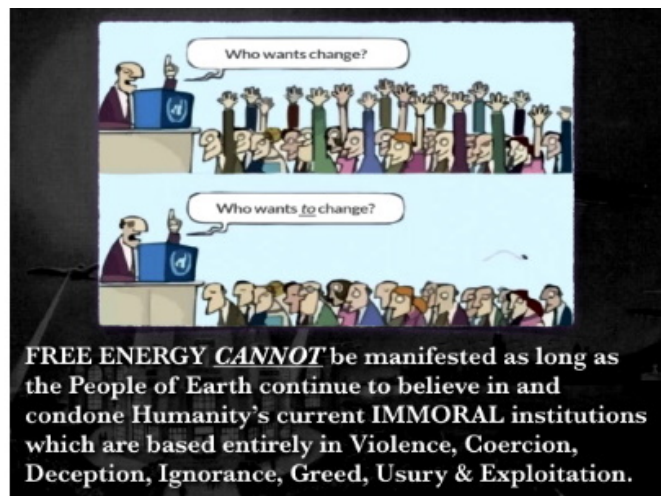

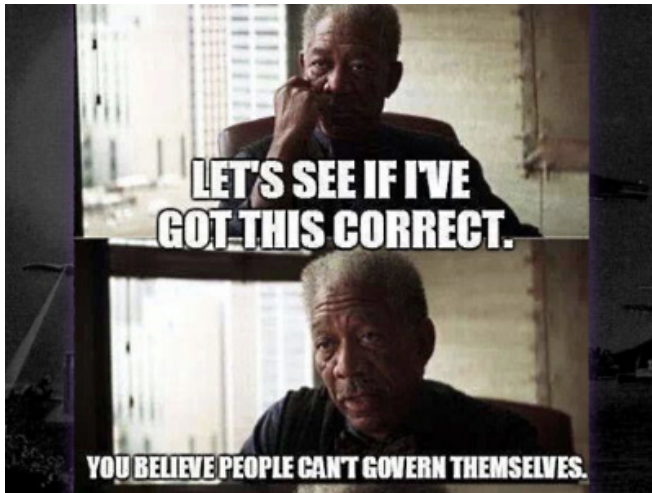

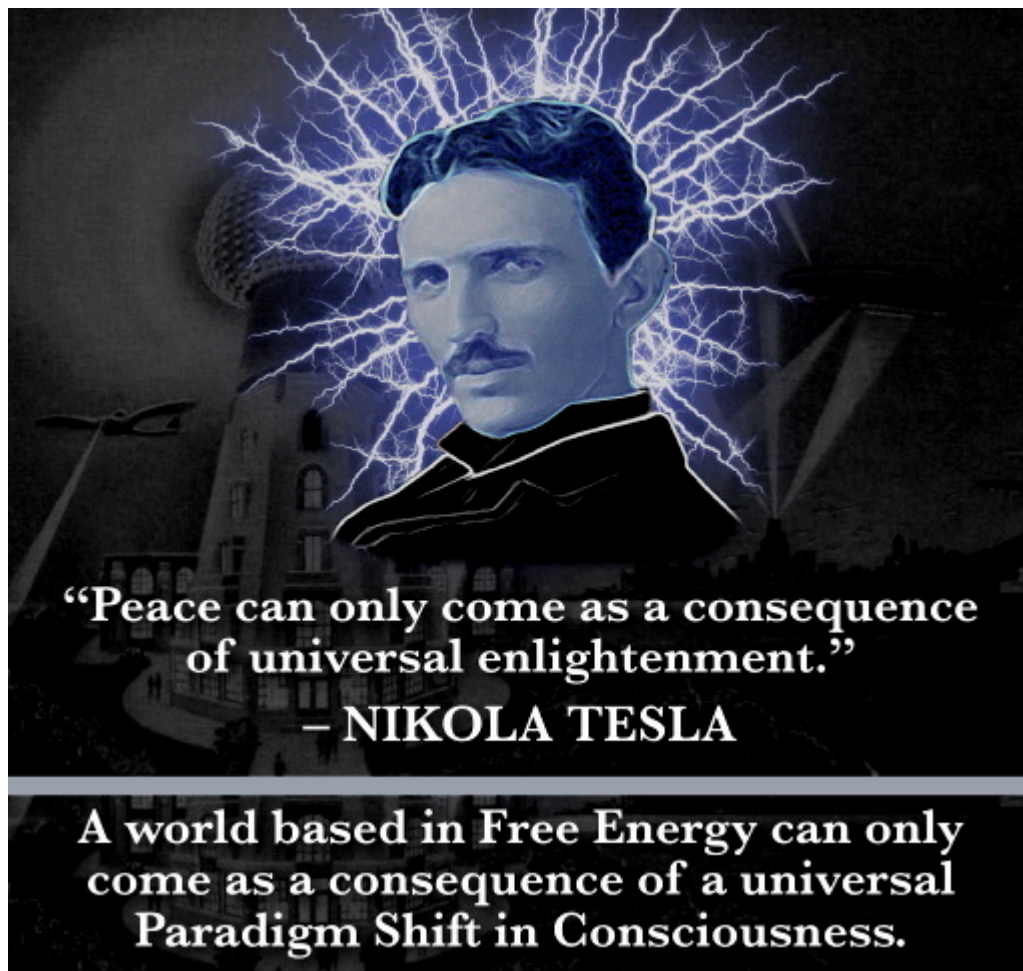

"AUTHORITY" is an ILLUSION of a diseased psyche, based entirely in VIOLENCE and built upon the erroneous and dogmatic BELIEF that some people are Masters who have the moral right to issue commands, while others are Slaves who have a moral obligation to obey the Masters.

THE WORLD'S MOST DANGEROUS RELIGION

"Authority" Is An ILLUSION Preventing The Paradigm Shift
