The False Spectre of 'Domestic Terrorism Threats' Is Nothing More Than a Government Plot to Control and Incarcerate All Dissenters

"The object of terrorism is terrorism. The object of oppression is oppression. The object of torture is torture. The object of murder is murder. The object of power is power. Now do you begin to understand me?" ~ George Orwell, [1984](#)

This 'virus' terrorism that has been structured and stoked by this heinous government for the purpose of depopulation, power grabs, and control over society, is now being greatly ramped up in order to shut down all questions, all speech, all facts, and all those that would not comply with draconian mandates issued by this corrupt state. If such a criminal coup is able to be accomplished by the state thugs, all opposition to the status quo of planned economic demolition, sickness, mind and body destruction, and death by the ruling class will have been effectively stopped, leaving only those ready and willing to act as slaves instead of fighting for their own liberty. In

effect, with the gallant truth seekers marginalized or taken down, no resistance will be evident, and only the compliant sheep-like masses will be left, negating any defense against totalitarian rule. But of course, that is the plan.

We are faced with extreme terrorism, but it is not being waged by foreign mercenaries, jihadists, white supremacists, or domestic dissenters, it is the state itself that practices terrorism against the people. In essence, war is being waged against this country from the inside by this government, its controllers, the mainstream media, the pharmaceutical industry, the big technology sector, the banking system, and all government's other fascist partners. The American governing system is the enemy of all of us, and few will be exempt from its tyranny if large scale resistance is not forthcoming. Democide has already begun!

On August 13th, The Department of Homeland Security (DHS), an oxymoron if ever there were one, issued a new National Terrorism Advisory System (NTAS) Bulletin titled: ["Summary of Terrorism Threat to the U.S. Homeland."](#) The top priority of this so-called bulletin is that *"anti-government/anti-authority violent extremists will remain a national threat priority for the United States."* This is an open-ended threat to all that disagree with and oppose this government orchestrated fake pandemic, as stated in this bulletin. This does not mean that one has to take up arms or commit acts of violence in order to be targeted by the state, quite the contrary is the case. This atrocious bulletin is dated effective August 13, 2021 and expires November 11, 2021. How do these monsters know the exact dates when this so-called 'domestic terrorism' will happen? This is no accident, and makes obvious that a threat is being issued to all that are non-compliant. Do not forget these dates, as plans are apparently already set for all those of us that are anti-government/anti-authority, and it seems certain that false flag events to trigger martial law are already in place, for

why else would such a short-term structured bulletin be issued for this specific three-month period?

It is also stated in this document that domestic terrorism *"threats are also exacerbated by impacts of the ongoing global pandemic, including grievances over public health safety measures and perceived government restrictions."* In other words, they already know that they are going to impose more restrictions over this period. In addition, the DHS states that they *"will continue to identify and evaluate calls for violence, including online activity associated with the spread of disinformation, conspiracy theories, and false narratives, by known or suspected threat actors and provide updated information, as necessary."* This is a direct warning to all those attempting to tell the truth about this fake pandemic and the poisonous and deadly injections mislabeled as 'vaccines.' The only disinformation is coming from the DHS, the rest of government, the WHO, the CDC, and the mainstream media, as they are the real terrorists.

I have done a bit of cowboying in my life, and cowboys get the job done. Here in Montana, we have a saying that is very appropriate today: *"It's gettin' down to nut cuttin' time!"* At this moment in history, especially given the limited time left before this country is totally destroyed by this criminal government cabal, there is no more time to waste, and extreme preventative efforts are needed to stop this insanity.

These are unprecedented times in history, and this country called the United States is at war against its own people, and wants to depopulate not only this country, but the rest of the world as well. Democide, genocide, and mass murder are desired, and the beginning stages are being carried out now. Drastic measures are necessary in order to shut down this attack against the people, and a mass movement of total disobedience is essential if this takeover of society is to be stopped. We are out of time, and if blind obedience continues,

mass slavery will be the result.

Think about what is coming if strong resistance is not present:

Immunity and 'vaccine' passports

'Covid' marshals (police and military)

Lockdowns and home imprisonment

Quarantine

'Vaccine' mandates

Mass 'vaccination' of all children

Segregation

Interstate travel banned without 'vaccine'

Food shortages

Job loss

Economic Armageddon

Internment (concentration) camps (prison for unvaccinated)

Loss of utilities due to state planned cyber attacks

Supply line shutdowns

Hyperinflation

Mass death

And the list goes on. How far will this have to go before the masses see the light? How much abuse are the people of this country willing to take before they say no more? How many lies must be swallowed before the sickness of apathy is expelled?

There is no 'virus pandemic,' there are no 'variants;' there are only lies and propaganda spewed by the political class and their partners in crime. This government, its agencies, its courts, and the politicians are evil, corrupt, and criminal. They care nothing about you, they care nothing about your family, they care nothing about your children, and they care nothing about the well-being of the masses. They care not about anything of value, they care only about power and control. The only way to stop this is by mass disobedience, and refusal to obey any order or mandate issued by this

abhorrent state.

*“Evil thrives on apathy and cannot exist without it.” ~
Hannah Arendt*
