Excerpts from transcript:

Shai Dannon:

"From day one I said, look, this is fake. There's no pandemic. Forget about it. This is the plan...

It's in your face. Again and again...

The holocaust is coming back into Israel...

By the end of '38 Jewish families were told: 'Look, for your own good, for your own safety... We will take you to a new place...

Most Jewish people they really thought the Germans are going to look after them...

We need the people to wake up... The land of Israel, the people of Israel, the tradition of Israel, has been hijacked by this Zionist, Sabbatian cult who are involved with really, really nasty things from many, many years ago... And the fact that there are some Jewish families in this cult does not mean that they are part of Judaism anymore."

David Icke:

"...You mentioned the key word – the Sabbateans. The Sabbateans, for the people who have not come across it, is a death cult. And what they do is they pose as whatever religion or culture that they are seeking to take over. So the Saudi royal family are Sabbateans, the people that run Israel are Sabbateans, the people behind the Vatican are Sabbateans. And they pose as people supporting the culture – when they hate the culture, they want to destroy it – and then they manipulate themselves into positions of power..."

Shai Dannon:

"I have two possibilities, two assumptions. One – that

Israel is the guinea pig also and experiment for the shots, but it's also the guinea pig for the Klaus Schwab agenda, you know, bullshit... Bill Gates' 'Let's mass vaccinate everyone'...

The second option – here's a question for you:

What if, what if, everything we see around with the corona – everything – is actually for the purpose as they say, **but the first is to kill the people of Israel...**

If first they want to take down the people of Israel, I would say to the world...

Please wake up, stand up, make noise. Help us. Because where Israel is going, the rest of the world will follow.

Trust your heart, your good intention and your morality that you will know what to do..."
