The True Cost is a documentary film exploring the impact of fashion on people and the planet.

Storyline:

This is a story about clothing.

It's about the clothes we wear, the people who make them, and the impact the industry is having on our world.

The price of clothing has been decreasing for decades, while the human and environmental costs have grown dramatically.

The True Cost is a groundbreaking documentary film that pulls back the curtain on the untold story and asks us to consider, who really pays the price for our clothing?
