Truth Comes to Light editor's note:

In the following videos, Hugo Talks asks important questions about Trump's pro-vaccine stance (and Trump's clear, strong push for medical tyranny to be rolled out) and the many anti-mandate leaders who are publicly aligning themselves with Trump.

He draws attention to the historical strategy of what is known as The Hegelian Dialectic or Problem-Reaction-Solution. See Rosanne Lindsay's article [Transcending The Hegelian Dialectic](#) for more understanding of how we are manipulated through this globalist strategy.
