

# Transhumanism & You

## [Transhumanism & You](#)

by [James Corbett](#), [The Corbett Report](#)

August 10, 2020

*Transhumanism promises us a fantastic future in which humans overcome disease, aging, and even death. It just requires us to take the final step and merge fully with machines.*

*But its secret past in crypto-eugenics reveals a darker future, one in which a GenRich elite rule over the GenPoor masses.*

*Are you ready to give up your humanity?*
