

U.S. Health Leaders Ignore the Science

[U.S. Health Leaders Ignore the Science](#)

by [Del Bigtree](#), *The HighWire*

October 2, 2020

Available at The HighWire with Del Bigtree [BitChute](#) and [Brighteon](#) channels.

As the CDC director over-promises on masks using little science to back his claim, Del aligns, once again, with #COVID19 task force adviser & Stanford University luminary, Dr. Scott Atlas, who won't stop spewing actual science at every press conference he can get his hands on.
