U.S. Health Leaders Ignore the Science

U.S. Health Leaders Ignore the Science

by <u>Del Bigtree</u>, <u>The HighWire</u> October 2, 2020

Available at The HighWire with Del Bigtree <u>BitChute</u> and <u>Brighteon</u> channels.

As the CDC director over-promises on masks using little science to back his claim, Del aligns, once again, with #COVID19 task force adviser & Stanford University luminary, Dr. Scott Atlas, who won't stop spewing actual science at every press conference he can get his hands on.
