[UK Government Public Consultation on Covid-19 Vaccine Certification/Passports – Deadline 3rd May 2021](#)

The UK Medical Freedom Alliance has submitted a response to the UK Government Public Consultation on Covid-19 Status Certification. [View Letter](#). [Download PDF](#).

We are urging our supporters to send in their own submission and have produced a downloadable Word Document to help you draft your response, listing some of the medical, ethical, legal, and societal issues that relate to Covid-19 Vaccine Certification/Passports.

Please personalise your response, expressing your concerns and the effect that Covid-19 Vaccine Certification/Passports would have on your life.
