

# Unusual Candor about UFOs from Portuguese Military

*Discussion includes mysterious “angel hair” from sky containing organisms and microscopic beings, along with many intriguing UFO experiences.*

Francisco Mourao Correa is an experienced researcher of UFOs, and is the leader of Exopolitics Portugal. Here he discusses incredible UFO encounters from Portugal's history, especially during the Cold War era, and describes the attitude toward UFOs by the highest echelon's of Portugal's military. This includes the former Chief of Staff of the Portuguese Air Force, General Tomás Conceição e Silva.

The conversation closes with a discussion on the need for evidence-based ufology and the preservation of our precious history in understanding this phenomenon.

Richard Dolan is one of the world's leading researchers and writers on the subject of UFOs and believes that they constitute the greatest mystery of our time. He is the author of two volumes of history, UFOs and the National Security State, both ground-breaking works which together provide the most factually complete and accessible narrative of the UFO subject available anywhere. He also co-authored a speculative book about the future, A.D. After Disclosure, the first-ever analysis not only of how UFO secrecy might end, but of the

all-important question: what happens next?
