

Urgent Message to the World from Israel: Enforced Vaccine Apartheid Happening Now

[Urgent Message to the World from Israel: Enforced Vaccine Apartheid Happening Now](#)

by [Oracle Films](#)

March 5, 2021

A moving appeal from a woman in Israel discussing the vaccine apartheid discrimination coercion currently being enforced upon the Israeli people at a rapid rate.

Refusal of fundamental services without a green passport.

A tearful Llana Rachel appeals to the rest of the world "This is coming to the rest of the world.

Please get this out to the world.

There are media blocks and censorship as to what is really happening and it's terrible."
