

Virus Isolation...Is It Real? Andrew Kaufman, MD Responds to Jeremy Hammond

[Virus Isolation...Is It Real? Andrew Kaufman, MD Responds to Jeremy Hammond](#)

by [Dr. Andrew Kaufman](#)

January 19, 2022

Andrew Kaufman M.D. refutes Jeremy Hammond's recent interview opining that SARS-CoV-2 has been shown to exist. Point by point, Kaufman debunks Hammond's explanation of how a virus is discovered.

The definitions and technology behind isolation, the methodology being used by scientists, and the agenda by governmental agencies are examined with the appropriate corrections.

Hammond's argument is the same old one trick pony being trotted out with pomp, circumstance, and pedigree.
