In today's show originally broadcast on June 18 2020, Andy Carrington Hitchcock is joined by Willem Felderhof, for a show entitled, "The Stockholm Syndrome Of Society."

We discussed: the Event 201 Corona Ritual; the merger of state and corporate interests; how Pharmacia means witchcraft; how the 5G rollout links in with what we are experiencing today; the 5,000 Pilots For 911 Truth that debunked the official narrative of 911; the smartphone addiction; the power of hope and especially faith; and many other topics.

[Willem Felderhof](#) is a former commercial airline pilot and was a whistleblower on the presence of toxic elements in aviation generally known as "[the Aerotoxic syndrome](#)".
