

# NewEarth University Whitepaper on COVID-19

Thomas J. Brown, NewEarth University

*"The welfare of humanity is always the alibi of tyrants" — Albert Camus*

**Belarus President Alexander Lukashenko** asks, *"Is this pandemic, this coronavirus, a man-made phenomenon? I don't know the answer yet, but I have my suspicions. Are politicians and others using this situation for their own purposes? You and I both know the answer to that question."*<sup>1</sup>

**Italian MP Sara Cunial** has denounced Bill Gates as a "vaccine criminal", entered into the official record on the floor of the Italian Parliament, urging their President to hand Gates over to the International Criminal Court for crimes against humanity, for his connections to deadly vaccines, lockdowns, depopulation policies, and plans to microchip the human race, asserting that the "real goal of all of this is total control." MP Cunial asks the president *"if you won't do this, tell us how we should define you, the 'friend lawyer' who takes orders from a criminal."*<sup>2</sup>

The **Foreign Ministry of Burundi** has expelled the World Health Organisation coronavirus team, *"declared persona non grata and as such, must leave the territory of Burundi."* There has been no public reason, an official has privately accused it *"of unacceptable interference in its management of the coronavirus."*<sup>3</sup>

**Madagascar President Andry Rajoelina** claims that the WHO offered him a US\$20 million bribe to poison the COVID Organics herbal remedy which has been curing people there.<sup>4</sup>

**Barrister Ikenga Imo Ugochinyere**, spokesperson for opposition The Coalition of United Political Parties (CUPP) of Nigeria, has stated that intelligence reports indicate that Bill Gates offered a bribe of US\$10 million for speedy passage of a compulsory vaccine bill to the leadership of the House of Representatives led by **Femi Gbajabamila**. Barrister Ugochinyere states that *"The plan to push the passing of the bill is evil."*<sup>5</sup>

**Former American Congressman Trey Gowdy**, in discussion of dealing with restrictive coronavirus lockdown orders: *"we have this thing called civil disobedience and people can engage in it."*<sup>6</sup>

**President John Magufuli** of Tanzania called for investigation of COVID-19 test kits used there, after instructing security forces to check the quality by submitting non-human samples of pawpaw, goat and sheep to the testing facility, with the tests coming out positive for the virus. *"There is something happening. I said before we should not accept that every aid is meant to be good for this nation."*<sup>7,8</sup>

Meanwhile, *"It's fair to say that things won't go back to truly normal until we have a vaccine that we've gotten out to basically the entire world."* ~ **William "Bill" Gates Jr.**<sup>9</sup>

<sup>9</sup> Bill Gates Wants to Vaccinate The Entire World <https://www.youtube.com/watch?v=IxsWIHsybJ4>

Much of our world is imprisoned in fear of a novel coronavirus, SARS-CoV-2, its pathogenic effects termed COVID-19.<sup>10</sup> Governments are in lockstep with mass media provide this drumbeat of fear<sup>11</sup>. This scenario is highly questionable, demonstrably wrong, with apparent malefic intent.

Economies are collapsing.<sup>12</sup> International travel suffers “staggering drop.”<sup>13</sup> Many countries are in indefinite lockdown.<sup>14</sup> People’s lives are on hold, locked down with dwindling funds and food, with no clear vision of how this will end. People are being arrested for surfing, walking beaches, taking children to playgrounds, being too close to friends. People are turning in neighbours in their community for perceived violations of arbitrary, unjust rules.<sup>15</sup> Many more people will die from these over-reactions than ever would from COVID-19.<sup>16</sup>

All this is in fear that COVID-19 will decimate the global population. The only salvation promoted is to accept totalitarian suppression of our lifestyles<sup>17</sup> until a Bill Gates funded pharmaceutical concern can produce a vaccine. The vaccine program to include digital tracking technology.<sup>18</sup> Anyone refusing this vaccine will be prohibited from normal human interactions, work, education, travel, locking down large swathes of the population. Human rights are being trampled with congruent, pre-written legislation implemented worldwide.

The term “**Plandemic**” has worked its way into our modern lexicon, with a hashtag **#Coronahoax!**

An evolving thesis, from common folk to professional medical researchers, outside of official propaganda channels, appears to be that this is a well-planned psyop-driven global *coup d’état* for such purposes as:

- Crashing the global financial system, vast transfers of wealth
- Enforcing mandatory vaccines for extreme profit and idealist eugenics purposes
- Suppressing dissent, usher in a totalitarian New World Order with “new normal” behaviour patterns

There is definitely a novel virus in circulation present as a factor in serious illness;<sup>19</sup> People are dying, mostly elderly with extant chronic conditions, from what appears in many cases to be a serious upper respiratory infection, but in others something more mysterious, strange blood clotting, strokes and frostbite-like “covid toes” in young people,<sup>20,21,22</sup> though COVID-19 is said to not affect children. These are symptoms of hypoxic injury, victims initially have low oxygen in their bloodstream, no fever, no respiratory distress, no white blood cell count elevation, only an increase in liver enzymes, there is no evidence of viral infection. Advancing symptoms are fever, coughing, ground glass reaction and fluid retention in the lungs, where bacterial infections take over. While there is a tested viral presence, how this is acting as a cofactor in these effects remains to be discovered. Nobody has died directly from COVID-19, it is a “scientific impossibility” according to many doctors.<sup>23,24</sup>

This Plandemic allegedly began with a virus from a bat in Wuhan, China, jumping to humans via unsanitary conditions at a wild animal food market, where bats aren’t sold. Data indicates the spread was months prior in

various areas of the world,<sup>25</sup> with event drills<sup>26</sup> and planning months, if not years in advance, with alleged conspiratorial complicity in the development and spread.<sup>27</sup>

Where then did the virus originate? The Wuhan Institute of Virology (WIV) was researching related bat coronaviruses, partly with funding from US NIAID, who had to cease University of North Carolina (UNC) based research due to perceived pandemic dangers.<sup>28,29</sup> Chinese scientist **Shi Zhengli**, director of the Center for Emerging Infectious Diseases at WIV, specialised in SARS coronaviruses under tutelage of Prof **Ralph Baric** at the UNC. When Baric's research was stopped at UNC it was shifted to WIV under Shi's direction.<sup>30</sup>

Patents on related coronaviruses are held by various organizations including the Crown owned Pirbright Institute, holding U.S. Pat. No. 10,130,701<sup>31</sup>. though they are claimed to be unrelated such can be utilised strategically to prevent related patenting.

**Luc Montagnier**, Nobel prize winner for HIV, says that SARS-COV-2 is “*manmade*.”<sup>32</sup>

Polymath Professor **Chandra Wickramasinghe** predicted on November 25th, 2019 that there would be a new viral strain of cosmic origin in the coming months, based on his and astronomer Fred Hoyle's virus from space thesis.<sup>33</sup>

Whatever the origins, potentially lab-originated, the mainstream narrative misrepresents the situation at every step.<sup>34</sup> Governments are in global lockstep, stripping human rights with draconian legislation and regulations, relentlessly pushing the lockdowns-till-vaccinations scenario. Some folk hail the great actions of governments saving them, others are increasingly worried at the totalitarian programs being pushed.

**This is the greatest existential crisis humanity as a whole has ever faced.**

Every global organisation involved in managing this Plandemic, from advising state heads to working with national and international health organisations, as well as major vaccine companies, connect through funding and investment to the **Bill and Melinda Gates Foundation** (Gates Foundation). There is not one segment of global health care that does not have some connection to Gates Foundation funding.<sup>35</sup> There are major ethical questions concerning many people at the forefront.

The World Health Organization (WHO) is largely dependent on Gates Foundation funds.<sup>36</sup> Current head, **Tedros Adhanom**, former health minister of Ethiopia,<sup>37</sup> is accused of having been an agent of “one of the most brutal repressive regimes in the world,” responsible for “human rights abuses,” covering up cholera epidemics and misappropriation of funds for HIV and malaria. Prior to his WHO appointment he served as chair to the

**Dr. Anthony Fauci**, head of the National Institute of Allergy and Infectious Diseases (NIAID) is on the Leadership Council for the Gates Foundation.<sup>40</sup> He is accused of massive scientific fraud and malfeasance for decades, going back to his days as USA AIDS czar, when he worked to destroy the careers of Prof Peter Deusberg<sup>41</sup> and Dr. Judy Mikovits, Ph.D. Dr. Mikovits' controversial book "Plague of Corruption" details her evidence of Fauci's crimes against her and humanity.<sup>42,43</sup>

**Deborah L. Birx**, Response Coordinator for the White House Coronavirus Task Force, board member for the Global Fund to fight AIDS, Tuberculosis and Malaria, founded by the Gates Foundation.<sup>44</sup>

**Robert Redfield**, current director of the Center for Disease Control (CDC) was a founder of the Institute of Human Virology, recipient of \$31.8 million from the Gates Foundation.

Birx and Redfield have been investigated by the Department of Defense (DOD) for "Scientific Fraud & Misconduct"; Fabricated, Falsified HIV/AIDS Vaccine Trials<sup>45</sup>

Then who exactly is **William "Bill" Gates III**?<sup>46</sup> He is the scion of an elite, well-connected family with deep ties to eugenics movements.<sup>47</sup> His father, Bill Gates Sr, was head of Planned Parenthood (PP), which grew out of Margaret Sanger's drive to breed the unfit from the human population. His mother, Mary Gates, was chair of United Way's (UW) national executive. UW has directly funded PP. Mary, on the UW executive with IBM CEO John Opel, arranged the special deal with Bill Jr that launched Microsoft as a major corporate business. IBM was under antitrust litigation at the time, Bill was set up as an "independent" software developer for IBM equipment. IBM's first CEO, Thomas Watson Sr managed business equipment for the Nazi's to manage their concentration camp inmates.<sup>48</sup>

Bill Gates is the "Darwin" of our time. The uber wealthy Charles Darwin<sup>49,50</sup> was the face of an intelligence operation based on the works of his cousins, Thomas Malthus, chief economist of the East India Company, and Francis "father of eugenics" Galton. Thomas Huxley and Herbert Spencer moulded and promoted Darwin's theory, which promoted a non-divine origin of humanity, allowing the strategic murder of populations through war, famine and disease.<sup>51</sup> In short, this evolved to modern UN and private population control organisations, funded from and organised by the Rockefellers, Harrimans, Carnegie, Bushes, Soros, Buffet, etc. Gates is the public face of a long-term idealistic movement by the uber wealthy to control the global population on Malthusian principles.<sup>52</sup>

In the USA and UK, implementation of severe civil COVID-19 response measures were undertaken on known faulty computer models run by UK **Professor Neil Ferguson**,<sup>53</sup> director of the Abdul Latif Jameel Institute for Disease and Emergency Analytics (J-IDEA), and head of the Department of Infectious Disease Epidemiology at Imperial College, London, the latter of which has received funding from the Gates Foundation.<sup>54</sup>

Ferguson, one of the world's most influential disease modelers, used his knowingly failed model to predict approximately over 2,200,000 in the USA and 510,000 deaths in the UK. As of May 5, 2020 the total COVID-19 deaths since Feb 1, 2020 on cdc.gov is 39,910 vs 751,953 total deaths in that period. The UK has registered 29,427 in the same period. Ferguson's exaggerated figures were the basis upon which world leaders enforced severely suppressive measures on their populations. However, despite evidence that the virus spreads regardless, the repressive lockdowns continue.<sup>55</sup>

It has been suggested that Bill Gates, along with complicit government and medical officials should be held to task in the historical context of the Nuremberg trials for crimes against humanity.<sup>56</sup>

Testing for COVID-19 is fraught with serious problems; such testing cannot directly detect any virus. The PCR and serology testing can only test for RNA remnants and effects, caused by our immune systems, assumed to be viral in origin. This is stated by experts as well as the documentation for the test kits, which state "not for diagnostic purposes."<sup>57,58</sup>

Many of the tests do not work<sup>59</sup> or are inaccurate for mass screening, with 50% risk of false positives.<sup>60</sup> An unknown number of test kits are contaminated with the COVID-19 virus,<sup>61,62</sup> thus bringing into question the very motivation of mass testing. Was it to spread the disease, like the American colonists providing smallpox-laden blankets to decimate the Native American population?

Official numbers of COVID-19 infected and dead people are officially exaggerated. Numerous medical personnel, such as **Minnesota State Senator Dr. Scott Jensen**,<sup>63</sup> have come out to say that they are being forced to falsify death certificates to increase the COVID-19 statistics. Hospitals are largely empty. Field hospitals set up to handle the large volumes of predicted cases have closed due to no patients.<sup>64,65,66</sup>

"Vittorio Sgarbi, a member of the Italian Chamber of Deputies, denounced what he claims are false coronavirus death statistics. Sgarbi feels that fake statistics are being propagated by the government and the media to terrorize the citizens of Italy and establish a dictatorship."<sup>67,68</sup>

Even with serious reliability questions of COVID-19 testing, most afflicted with milder symptoms recover via their own immune system. In serious cases, with pneumonia-like symptoms, readily available, low cost, readily

available treatments including **ozone**<sup>69</sup>, **hydroxychloroquine**<sup>70</sup>, **chloroquine**<sup>71</sup>, **vitamin C**<sup>72</sup>, **chlorine dioxide**<sup>73</sup>, and **melatonin**<sup>74</sup> are being used successfully.

Coronaviruses affect the upper respiratory tract, causing common colds and infections such as pneumonia, SARS, and MERS. Influenza viruses are different, with different biological effects. The lines of science are blurred in the press-driven panic. It has been notoriously hard to manufacture a coronavirus vaccine, and to date there has been no success.<sup>75</sup>

In development are new types, RNA and DNA vaccines, that mutate the human genetic code to turn the “body into its own vaccine manufacturing unit.” The genetic mutations caused by these vaccines will be inherited into human progeny, with unknown long-term chimeric effects. Their development has been largely funded by the Gates Foundation and DARPA. Dr. Fauci tells Congress: *‘There’s no guarantee that the vaccine is actually going to be effective’*, that there’s a potential for the vaccine to strengthen the course of the disease.<sup>76</sup> The US DOD has just ordered 500 million vaccines<sup>77</sup> with digital tracking capabilities.<sup>78</sup>

A growing number of dissenting professional voices, far too numerous to list here, are questioning all aspects of this Plandemic. From the highly qualified epidemiologist Prof **John Ioannidis**:

“The current coronavirus disease, COVID-19, has been called a once-in-a-century pandemic. But it may also be a once-in-a-century evidence fiasco. ... The data collected so far on how many people are infected and how the epidemic is evolving are utterly unreliable. ... Reasonable estimates for the case fatality ratio in the general U.S. population vary from 0.05% to 1%. If that is the true rate, locking down the world with potentially tremendous social and financial consequences may be totally irrational.”<sup>79</sup>

Pressure is on people to be wearing masks in what amounts to a mass humiliation ritual, representing the quashing of free speech. This is even though clinical research shows constant wearing of masks is more likely to cause infections,<sup>80</sup> with the US Surgeon General and WHO now saying not to.<sup>81</sup> Yet arbitrary and confusing regulations are being enforced for people to wear them around the globe.

Draconian laws are being drafted and passed around the world, both for mandatory vaccinations and a “new normal” basis for social norms, in direct violation of natural human rights and behaviour.

In the UK, the Coronavirus Act allows officials to arrest anyone suspected of being infected, and if said person dies in custody officials can immediately cremate the body. This is an open door for disappearing critics and dissidents.<sup>82,83</sup> Introduced in the USA: H.R.6666 - COVID-19 Testing, Reaching, And Contacting Everyone (TRACE) Act, where everyone is to be tracked, and if you have been suspected of being near someone infected then officials can come into your home, quarantine you separately from your family, and potentially force a

vaccination. Congress is being asked for \$12 billion to hire 180,000 “contact tracers” for this job.<sup>84</sup> New Zealand and Australia are in the throes of the same, similar actions in many countries.<sup>85</sup> California Governor Gavin Newsom says “*We have the ability to do martial law ... if we feel the necessity.*”<sup>86</sup>

Reaction of the human spirit to these draconian measures is inevitable and has begun. Armed protesters showing up at many US State Capitols, people marching in Europe, people in Canada, Australia, New Zealand all beginning to realise that the jackboots are coming down, with virtually identical laws ready to go in all jurisdictions.<sup>87,88,89</sup>

How this plays out depends on informed comprehension of this situation by as many people as possible. From a strategic perspective one would expect civil disobedience, with a strong response built into the plan to strengthen the lockdowns. Along with leaders of many countries speaking out about corruption from Gates Foundation and WHO, offering bribes, it appears that enough people may awaken to slow or prevent the eugenics program of the elite, with its coronavirus plot device.

There has been a coordinated rush to implement 5G technology globally during the lockdown,<sup>90</sup> despite significant clamour to halt the process until proper safety testing can be done.<sup>91</sup> Perhaps the Dutch State Secretary of Economic Affairs and Climate, Mona Keijzer, has provided an important clue, which conforms to the tracing legislations being implemented:

“Currently, in the Amsterdam Arena, a 5G mast has been installed, which is already being used for Crowd Control - by means of a data-driven process managed by a Location Based Services provider. Data from visitors' mobile phones are tapped, stored and analysed, allegedly to guarantee the safety of spectators and to control the behaviour of visitors.”<sup>92</sup>

Viruses are the most abundant microbes on the planet, in our air, soil and water. They are messenger molecules, congruent with exosomes and other extracellular vesicles. Our life processes are totally dependent on them. To even consider vaccines as some sort of saviour against a single virus will someday be seen as ignorant as medieval bloodletting. True science evolves with the best information available, not to be held back by dogma. This is our opportunity to turn this situation into a new healthy phase forward for humanity.

Has there ever been a more critical time for true leaders to stand for human rights and dignity?
